

**At long last, Michael rows his boat ashore.**

# Michael's Consortium on 2022 Overleaves - 4<sup>th</sup> Quarter

Update on Effects and Implications

*And...*

*you might as well meet it with Humor!*

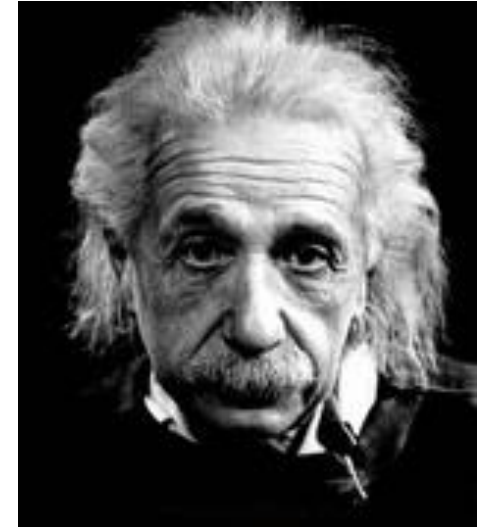

# Active Overleaves in Last Quarter

- **Sage Cast Warrior** – Words, Laws and Courts have become the new battlegrounds. Make sure you are armed with facts to stand up against emotional, dogmatic or personal attacks.
- **100% Masculine Energy** – High Rigidity vs Intense Determination
- **Power Mode** – Stand with Facts or Pile into Conformity
- **Intellect Center** – Reality can only be formed from clear ideas and congruent plans. Many people are struggling with both. The Emotional Center has been largely suppressed with rationalization being the way that many justify their aggressive or defensive behaviors.
- **Idealist** – Naively hold onto antiquated ideologies or take the time to assemble ideas in a new way and expand your ideas of how things can be done. Old ideologies are very harshly grasping to hold onto power and simplistic memes.
- **Martyrdom** - Every perpetrator claims to be a victim.

# Key Ideas (and words) for Last Quarter

- Paradigms Shift happens only when people “chose a direction”.
- There is no “neutrality” in a binary plane like the Physical.
- Your Physical ‘Life’ is now! And the only one ‘YOU’ have to work with.
  - Identify with the NOW in sight of the Future.
  - Don’t avoid the Past. Learn from it or you will repeat it.
- Chose living life over the avoidance of death.
- Emotional comfort is naturally fleeting. Get used to not having it!
- Chose purpose over hope as a foundation for action.
- Connect With (and create) Your Own Network –
  - Identify your nodes (people and resources). Everyone is their own hub!
  - (And whose Network are you a member of?)

# *Take It From a Paradigm Changer...* *Old Artisan* - Albert Einstein

- “Problems cannot be solved with the same mind set that created them.”
- “A man (person) should look for what is, and not for what he thinks should be.”
- “In theory there is no difference between theory and practice. In practice there is.”

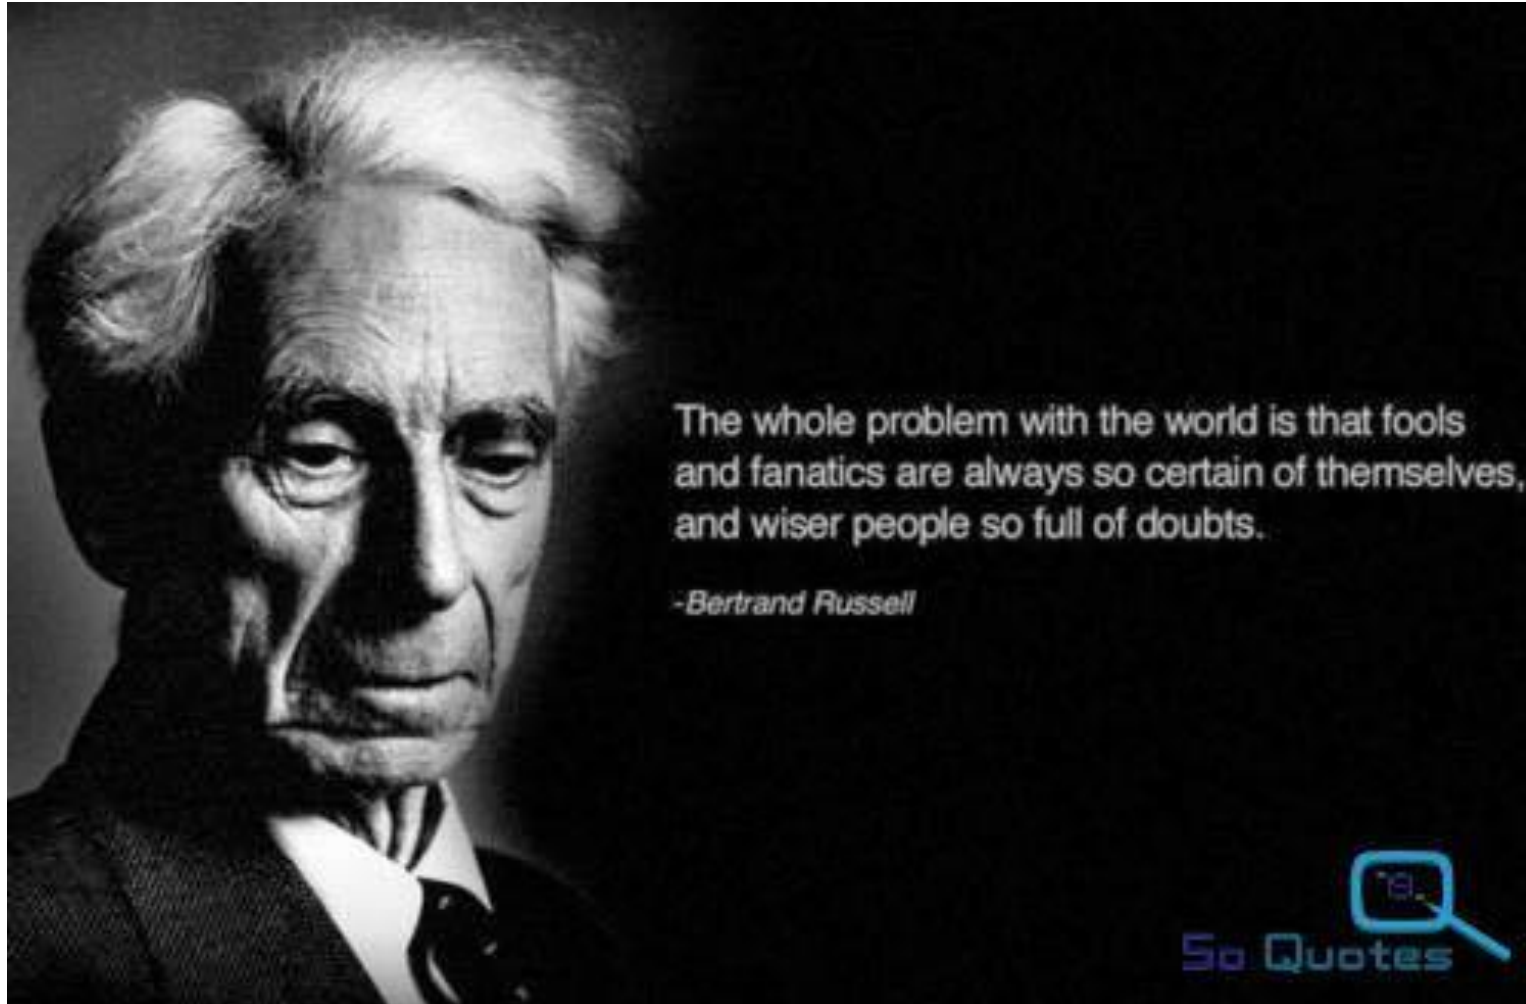

# Risk and Liminality...In the middle of the jump.

Young Soul Paradigm to Mature Soul Paradigm

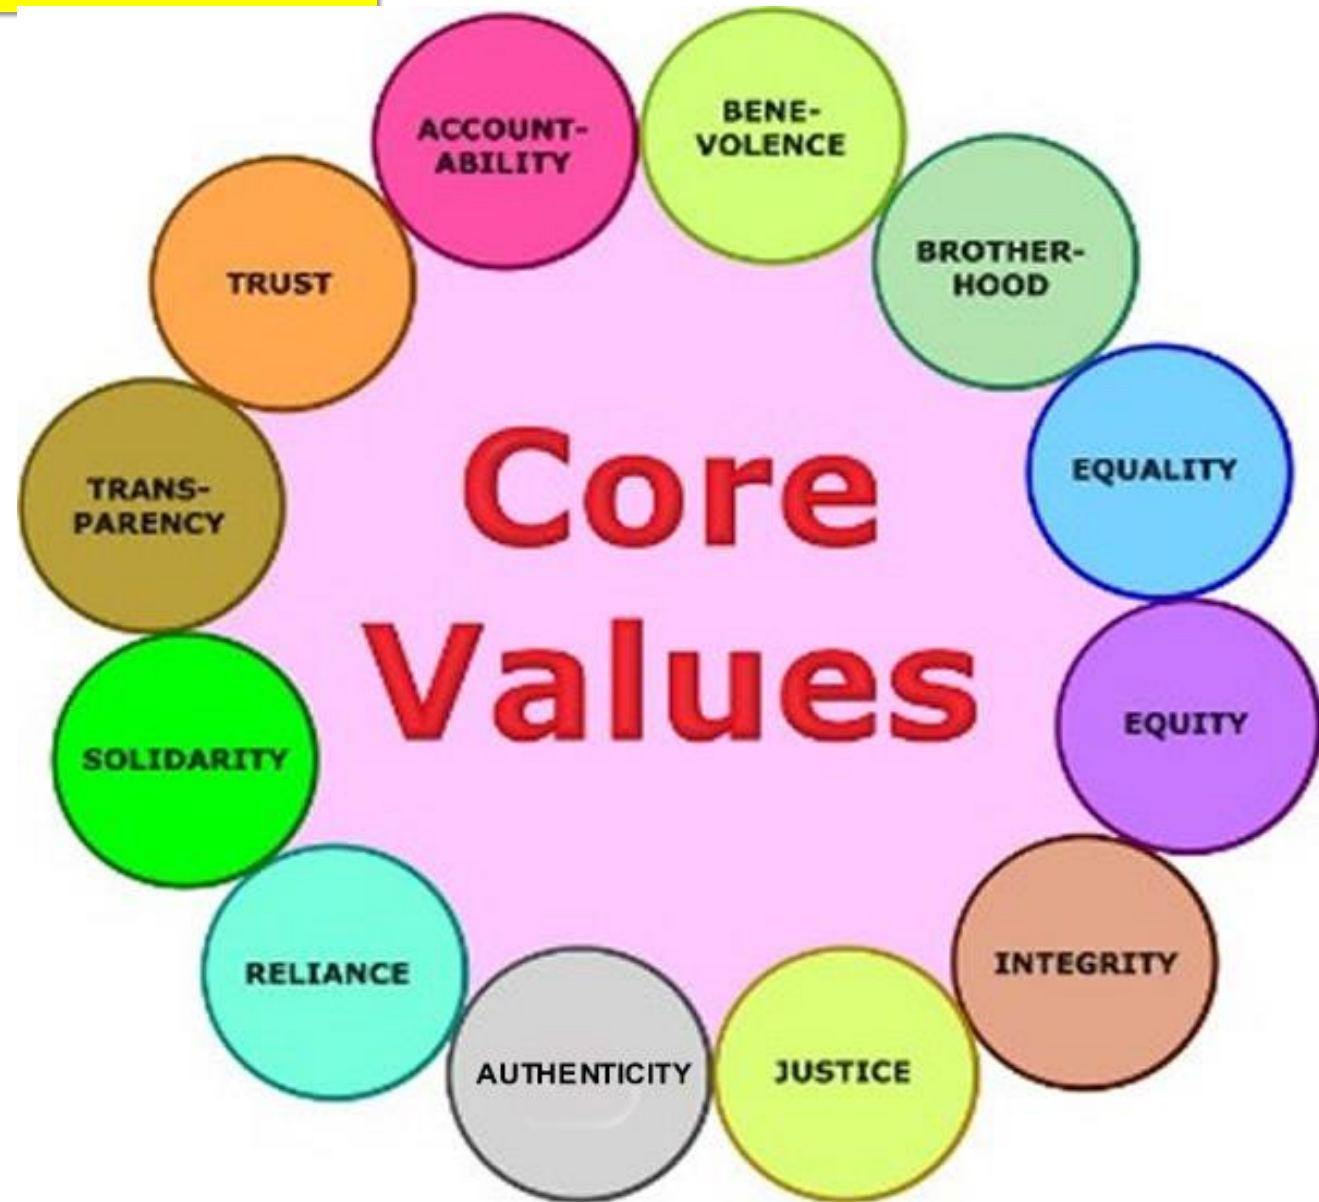

# False Confidence and Mature & Old Soul Pain

**Older Souls Know ENOUGH! You might not be certain of a method or outcome, but you know the direction.**

# Mature Soul Paradigm Values

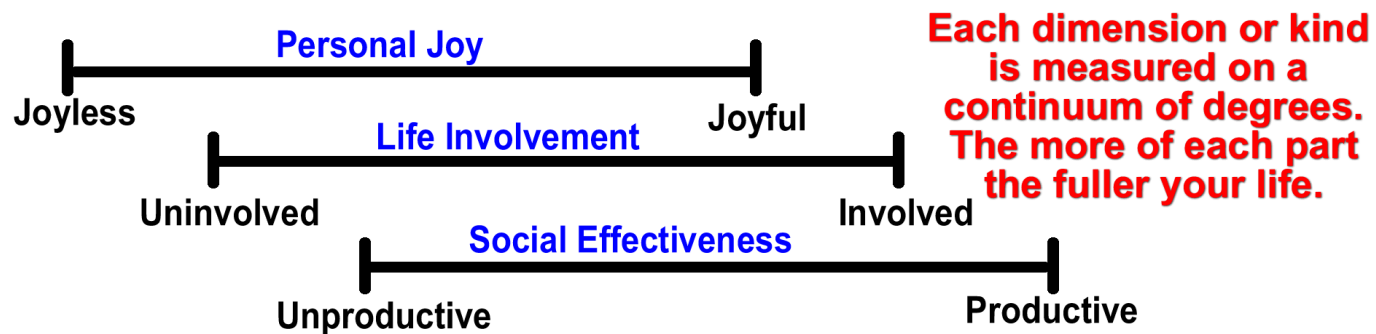

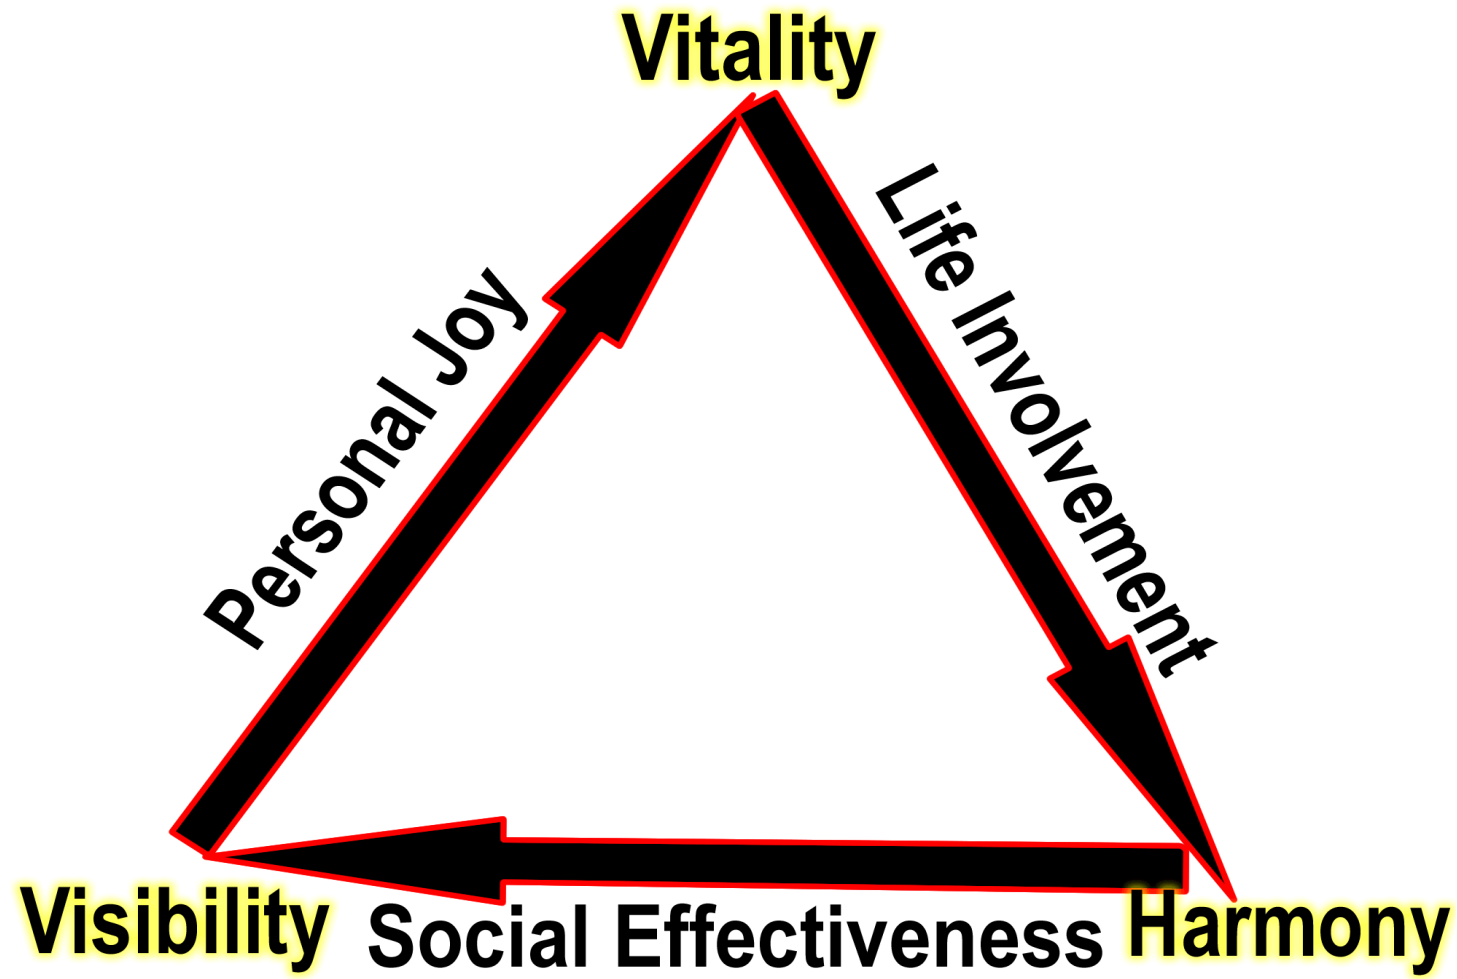

- All are functions of Inclusion, Mutuality & Personal Awareness.
- Notice that: Victory, Ambition, Success, Power, Achievement and Dominance are *NOT* part of this list!

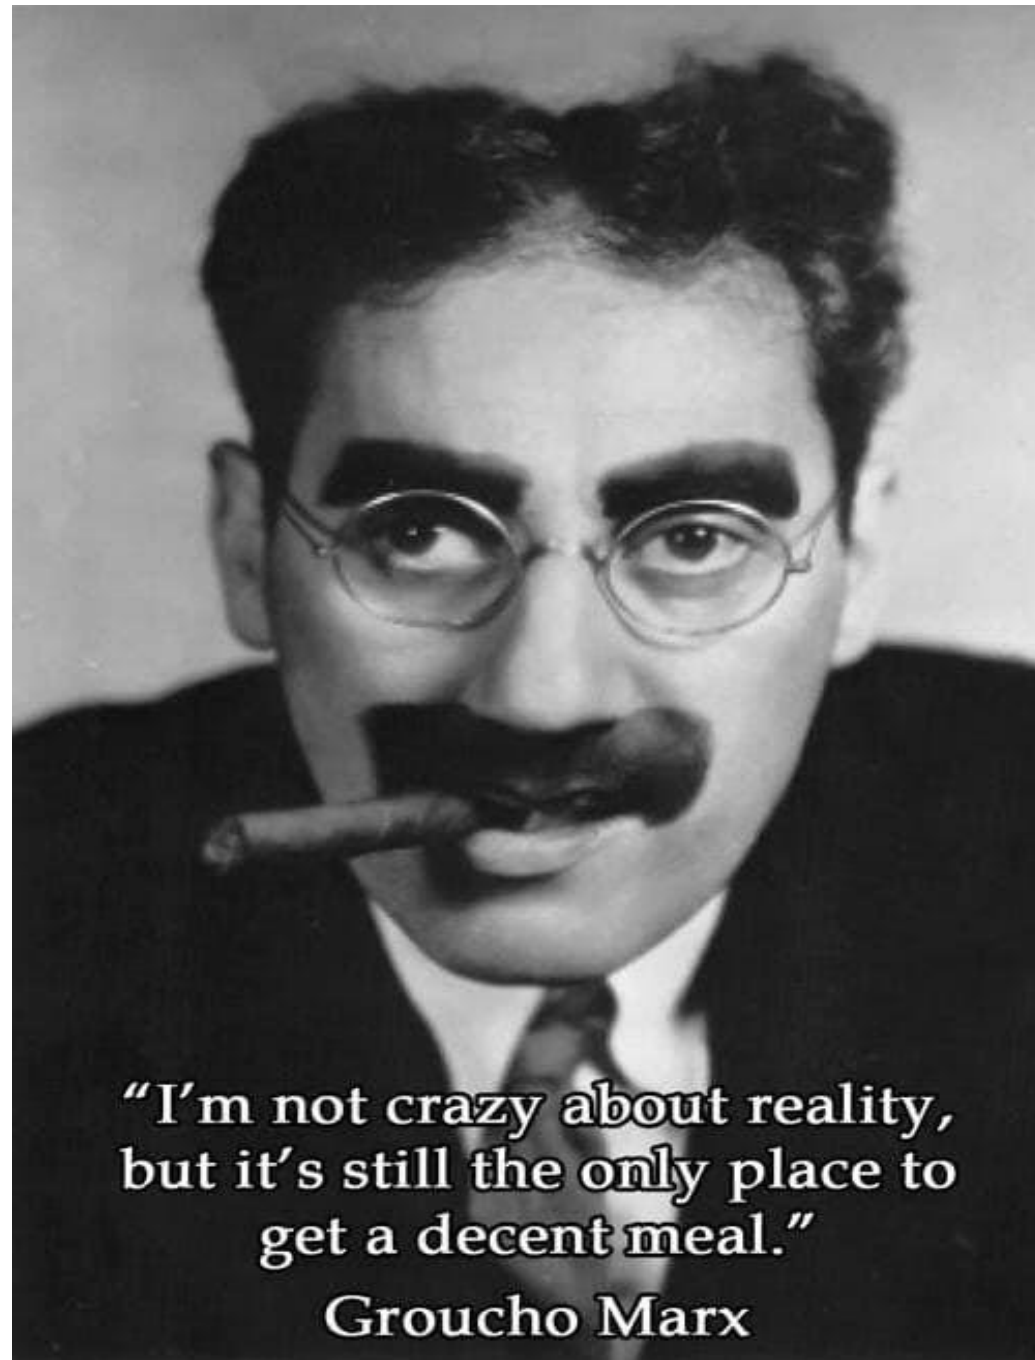

# Meditation to Grasp your Network

- Close your Eyes and Imagine Yourself in the Middle of a Great Web.
- Notice how many tendrils this web, where you are at its Center?
- Notice what comments come to mind when you see the number of them? Do you think too few or so many?
- Which directions do the energies flow? Inward? Outward? Both?
- With allowing your innate voice to express itself, even if in a whisper, what does it say to you about this collection?
- Our question is: are you connecting, utilizing, supporting or feeling nourished by this network? If not, what might you do to change it?
- Emerge from the visualization with all your answers intact.

**"I'm not crazy about reality,  
but it's still the only place to  
get a decent meal."**

**Groucho Marx**

# In Closing...What the Warrior Year Portends

Anybody can become angry – that is easy, but to be angry with the right person and to the right degree and at the right time and for the right purpose, and in the right way – that is not within everybody's power and is not easy.

Aristotle
