2024 Overleaves and Characteristics

- **CASTING:** King (Influencing the level of seriousness of the Sage)
- **GOAL:** Growth
- **ATTITUDE:** Pragmatist
- **MODE:** Aggression
- **CENTER:** Moving (Intellectual Part)
- **CHIEF FEATURES:** Impatience and Greed
- **Body Type:** Martial (Strength, Endurance, Reach)
- **Frequency:** 64

The Overleaves comprise what can be called an “Exalted-Action Year.” Meaning, a great deal of your output of energy will be into the world around you instead of more inwardly directed.

Sage with a King Casting (Like an added layer)

- **Positive Poles** – Assertion, Find Common Context, Sagacity, Announcement, Listening, Summation, Articulate, Emphasis, Entertaining, Enthralling, Friendly, Humorous, Informative, Inquisitive, Teaching moments, Fact-Reporting
- **Negative Poles** – Egocentric, Verbose, Loud, Decree, Bloviator, Attention Grabby, Interrupting, Dismissing, Domineering, Pronouncement, Declaration, Storied Narratives, Gossipy, Conversations Hogs, Intrusive, High Sense of Entitlement)
- **Implications Within** – You'll bubble over to spill what you have to say. The "Executive Function" of the King energy will cause you to demand people explain themselves.
- **Implications in the World** – Fight to define and control narratives. Word fights in the Courts, especially!

Goal: Growth (How it affects Self and Situations)

+ **Pos Pole** – Progress, Improvement, Expansion, Comprehension, Merger, Consolidation, Novelty, Development,

- **Neg Pole** – Consumption, Confusion, Obesity, Omnivorous, Pandemic, Overflow, Acquisition,

Influenced by Greed, Pragmatist, Moving Center and Aggression

Attitude: Pragmatist – Adaptability (not efficiency)

- Positive Pole = Practicality, Adaptability, Streamline, Effective Choice, Multiple Viewpoints (Sliding to secondary), paring down.
- Negative Pole = Automatic, Dogmatic, Pedantic, Reductionist
- Implications Within: Adopt a “less is more” approach in your outlook and things will flow more smoothly while shedding excess.

Mode: Aggression = Assertiveness or Violence

- Positive Pole = Assertiveness, Dynamism, Energize, Compete, Contest
- Negative Pole = Belligerence, Grievance, Attack, Bellicose, Assault, Ambush, Abuse (verbal or physical), Viciousness
- Implication: You can utilize this energy either to take a leap forward under Growth and Moving or employ it under Impatience and negative Pragmatism to justify striking first (sometimes that's useful)

Chief Feature: The sense of something missing

- **Impatience – Jan – June** – Ushers in 2024 with “a sense of urgency”, “hurry up”, “are we there yet?”
 - + Pos Pole – Audacity, Excitable, Edgy, FOMO,
 - - Neg Pole – Frustrated, Intolerant, Pushy, Demanding, Distractable, Reactive
- **Greed – July – Dec** – Focus becomes heavily on material resources and security. Preserving status and privilege are on display everywhere. “Not in my backyard.”
 - + Pos Pole – Egoism “me, me, me” – Appetite (consumption) and Comfort
 - - Neg Pole – Cupidity, engorgement, hoarding, overindulgence, taking, excess

Moving & Physical Center – Body Sense – 3rd

- Exertion Movement
- Pay attention to Sensation
- Kinesis – Your body is the receiver for your ability to detect “vibration.”
- Sensuality
- Diet – What do you eat? Are you getting your nutrition?
- Stretching – Flexibility (Especially important when confronted with Growth)
- 3rd Chakra may have difficulties with digestion. Tighten the tummy!
- *Combine with Chief Features of Greed and Impatience and Impulse Control might feel very difficult (especially seeking comfort to calm for nervous energy. Or, a willingness to be impetuous and erratic because of boredom.*

Frequency (Pace) and Masculine and Feminine Ratio

- **Frequency = 64** - On a Scale of 1 - 100 (crawl - fast)
- **Masculine = 72** – Convergent, Forward, and Pointed
- **Feminine = 28** – Divergent, Backward, and Spread
- **Implications:** With these bracketing the Overleaves you will find you are prompted to focus, or at least be hooked in attention, while compelled to *not want to* waste time. But you'll often find out that you did "waste time" because you acted without thought about your activities. Refer to 2024 CF's and Centering, as to why.

Other Highlighted Aspects Using MT Concepts

Needs Seeking Fulfillment (3 of 9) – Security, Community, and Expression

Sub-Personalities Active – Saboteur, Inquisitor, Sludge, Policeman

Challenges and Issues you will see in the Public Sphere

- **Conformity masquerading as cooperation.**
- **Malicious Obedience** – Obeying the letter of the law instead of its intent.
- **Damnation Speak** – Using God, religion, or any authority to demonize an opposing force. Be accountable for your own words cursing another. Call others on it when they don't. This is key to breaking down the use of false words and hate speech.
